PRINCIPAL'S MESSAGE.....

"Creativity is the key to success in future and Primary Education is where teachers can bring out the creativity of Children."
— APJ ABDUL KALAM

We, at KV Steel Plant, Visakhapatnam, had an eventful Academic Year, filled with a wide variety of activities, aimed at all-round development of the students entrusted to us. The teachers at Primary level have a great responsibility to meet the challenges metted out by each individual child in putting forth their best. Our goal is not only to promote literacy in our students but also to inspire them to think critically and creatively, to foster their social and emotional development. I am delighted to note that the Primary Section of the Vidyalaya has put together the glimpses of its activities and is all set to release the CMP e-News letter 2019-20. I congratulate the Head Master and his team of Primary teachers for their sincere efforts in bringing out the e-News letter.

With best wishes!

HEAD MASTER'S MESSAGE.....

"Teaching primary children is an adventure, not a mere job"

We, in the Primary Section at KV Steel Plant, believe that teaching-learning process in Primary classes should be a joyful experience to the tiny tots. To accomplish this task, a wide range of opportunities are being provided to the students throughout the academic session. We have tried our best to provide a platform to showcase the latent talents of our promising & budding students. The glimpses of our efforts are reflected through our Newsletter 2019-20 illustrating the best creative abilities of our tiny tots. I acknowledge the valuable contribution of all the teachers in bringing out this edition of Newsletter and express my sincere gratitude to our Principal who inspires, motivates and guides us in every sphere. मेरा प्यारा विद्यालय

विद्यालय का अर्थ है विद्या का आलय। वह स्थान जहाँ विद्या का उपार्जन होता है। केंद्रीय विद्यालय इस्पात संयंत्र मेरा प्यारा विद्यालय है। यह विशाखपट्टनम शहर में एक प्रसिद्ध विद्यालय है। यह एक बहुत बड़ा विद्यालय है जहाँ एक हज़ार से ज्यादा छात्र पढ़ते हैं। चारों ओर हरियाली के कारण विद्यालय का परिसर बहुत सुन्दर लगता है।

मुझे पसंद है

हम सब अपने घरों में बंद हैं,
पर ये वक्त मुझे पसंद है।

मम्मी-पापा रहते हैं आस-पास,
खेलते, खाते, हँसते हैं साथ-साथ,
याद नहीं पहले कभी ऐसे हुआ था,
कोई ना कोई हमेशा नामौजूद रहता था।

वक्त जैसे नया सवेरा लाया है,
हम सबको फिर से साथ मिलाया है,
घर में खुशियों की तरंग है,
रंगीन चित्रों से सजी दीवारें भी संग हैं,

हम सब अपने घरों में बंद हैं,
पर ये वक्त मुझे पसंद है।

कोरोना वायरस

अरे ! अरे ! सुनो, सुनो,
कोरोना आ गया।

बाहर मत निकलना, घर में ही रहना,
हाथ खूब धोना, सेनिटाइज़र लगाना,
कोरोना वायरस से खुद को बचाना।

आँख-नाक-मुँह हाथ से ना छूना,
सामाजिक दूरी बनाये रखना,
सरकारी आदेशों का पालन करना,
कोरोना वायरस से खुद को बचाना।

नानी माँ का घर

नानी माँ का घर मेरा मन पसंद स्थल है। मेरी नानी के घर में नानी, नानाजी और मौसी रहते हैं। वे सब मुझे बहुत प्यार करते हैं। नानी माँ मेरे लिए मन पसंद चीज़ें और मिठाइयाँ बनाती हैं। मौसी मुझे कई चीज़ों जैसे पालतू जानवर, तितलियाँ आदि के बारे में बताती है और चित्रलेखन भी सिखाती हैं। मुझे अपनी नानी माँ के घर में बहुत मज़ा आता है।

मेरा पसंदीदा खेल

मेरा मनपसंद खेल शतरंज है। मैं हर रोज़ माँ या पिताजी के साथ शतरंज खेलता हूँ। शतरंज दो खिलाड़ियों के बीच खेला जाता है। इस में 64 खाने या वर्ग होते हैं। 32 चौकोर काले और 32 सफ़ेद रंग के होते हैं। प्रत्येक खिलाड़ी के पास एक राजा, एक वज़ीर, दो सेनापति, दो घोड़े, दो हाथी और सैनिक होते हैं। शतरंज खेलने में मुझे बड़ा मज़ा आता है। इस खेल में मैं प्रैंड मास्टर बनना चाहता हूँ।

LITERARY QUEST : *Tiny tots put their thoughts on paper.*

NATURE

Nature is everywhere; it is everywhere you go,
Nature is all the things that live and grow.
Nature is animals, big and small,
Nature is plants that grow so tall.
Nature is beautiful everywhere,
Wonderful, exciting and needs our care.
So, listen, learn and think clever,
Do your part to keep nature beautiful forever.

MOTHER ...

Bearing pain she gives the birth,
To bring the life on this earth,
She does so much as a mother,
Rarely done by any other.
She showers her blessings as rain,
None can match it in terms of gain,
The heaviest burden the God has lifted,
By sending mother, the best he gifted.

-B. BALA BHARGAVI – 3 C

CORONA VIRUS

Oh ! Corona, Oh ! Corona,
I am stuck at home, I am staying at home,
I should not rub my eyes and I wash my hands thoroughly,
I am seeing the playground from my window only.

Oh ! Corona, Oh ! Corona !
My parents stay with me and play with me,
My mother banned ice-creams, cool drinks and cold water,
My tongue tastes only the food that improves my immunity,
My mother tells me daily about personal hygiene,
and teaches me to keep my surroundings clean.

Oh ! Corona, Oh ! Corona !
My Indians are great in proving unity,
We are under lockdown for the sake of community.
We wear hand gloves and face masks,
We all together do the leader tasks.
Oh ! God I pray you to help our medical and police staff,
To kill Corona and to keep us safe.

-N. PRAMODHA SREE SUDEEPTHI – 3 B

MY MOTHER

My Mom is really great; she is as sweet as she can be,
When I need some help; I know she is there for me.
Mom loves me all the time; even when I am a pest,
She always takes good care of me; my mother is the best.

-T. LASYA SRI – 5 C

MY PROBLEM IN LOCKDOWN !

I want to go out but outside there is a virus,
That is why I stay at home.
So many people are dead, that's why I am sad.
All want to go to work; I want to go to school.
It is dangerous outside, my mother says,
To protect ourselves, hand wash and cleanliness are some ways.
I watch on TV, thanks to the doctors, police and sweepers,
Because they protect us and they are our savers.
I am very happy; all my family members are at home,
I play with them; I don't go out to roam.
I pray God, remove virus from the world.

Stay Home, Stay Safe, JAI HIND.

-K. DEEKSHITA – 2 A

GOD'S GIFT

God has gifted us the Earth. It is so precious. We are lucky to get a place like the Earth to live. So we have to keep it safe. Now our Earth is attacked by a virus called 'Corona'. It is making people vanish from Earth. We have to work together to fight Corona because we can't lose the Earth. God kept us safe. We have to save the God's gift-the Earth. So, please wash your hands. Don't go outside. Don't shake hands. Today if you don't take care, Tomorrow you have to bear !

-SUHANA AKTAR – 5 B

SAVE EARTH

As we all know, Earth is the only known planet in the universe to have life on it. If there were no sunshine, air, water and plants, there would be no life on earth. We must conserve its resources otherwise our life will be in threat. Man and all life forms depend on the natural resources for their survival. We should save them so that our future generations can live in a safe environment. We can save the earth by saving trees, water and other natural resources. We should strictly follow all the measures to control environmental pollution and global warming. Everyone should plant trees to reduce pollution. If we do this, the earth will be a healthier place to live for the future generations. Keep our planet green, our oceans blue. Because our planet needs you.
